

The Hill Family

Serving in North London

- Pray for our abiding in Christ and that we continue to rely upon His strength so that He receives all the glory.
- Pray for us and our team as we share the Gospel at doors and on the streets of new areas, establish new churches, and train local laborers to steward the task.
- Pray for us as we begin our first stateside assignment this fall. Pray that we would rest, be rejuvenated and be ready to return to the UK in the spring.
- Pray for us as we are expecting our first child in January 2026.
