- A-Abide.
  - Pray for me to abide in the Lord and find wisdom and discernment in how to make the most of my time each day (i.e. where to go, when to go, who to meet with, what to do and say with the believers I equip).
- B-Boldness.
  - Pray that God grants the believers I equip to have boldness in sharing the gospel with Muslims and equipping other believers to do the same so that the labor force for reaching Muslims is maximized.
- C-Church.
  - Pray for church planting movements to happen among Muslims, who are great in numbers yet few in believers.
