**Julie**  
*Serving in South Asia*

## *Please pray for Julie as she serves in South Asia.*

- Pray for my local church in my city – pray for a vision to multiply and plant more churches throughout the city.
- Pray for each member to live out the Great Commission as they make disciples who make disciples. Pray that we would even begin sending missionaries to other places in South Asia that need the gospel.
- Pray for \*Sarah's family to follow Jesus. She is the first believer in her Hindu family, but we are believing that her entire house would come to know Jesus!
- Pray that I would abide daily in Christ, pursue dependence on Jesus, and measure my success by simple obedience to Him.
