Pray for
The Pearce Family
Serving in Europe

Please pray for the Pearce Family as they serve families in Europe and Central Asia.

- Czechs are among the most secular people in the world. Pray as Preston meets Wednesday evenings with a group of young Czech adults, mostly unbelievers, for discussion based around various topics.
 - This format allows them to ask questions, to challenge & be challenged, and always has a gospel focus; some have come to faith. It is led by a local friend, and another friend is working to incorporate these into a new church plant, and we are part of that. Please pray for these young adults and this potential new church.
- Please pray for the increase of healthy theological education across Eurasia for gospel advance!
- Pray for Karen as she is working with a city-wide youth group and leading a Bible study of high school girls.
