Pray for
The Spencer Family
Serving in South Asia

Please pray for the Spencer Family.

- For protection over our family's physical, emotional, and spiritual health
- For our family to take opportunities placed before us to share the Gospel and disciple new believers in loving the Word of God and growing in dependence on God
- For local believers who will practice the language with us, be bold in going out and sharing the gospel, and want to partner with us to see churches planted in our area
- For the 22 million people in our area. 98% of them do not follow Jesus or have never heard his name. May his name be known and worshipped alone in South Asia!
