- Language & Cultural Fluency

Pray for grace, discipline, and joy in learning the local language and culture—so I can build real relationships and communicate Jesus' gospel truth clearly.

- Faithfulness in the Hidden Work

Ask for perseverance in the slow, often unseen rhythms of ministry—that I'd stay rooted in Christ and steady in calling, honoring him in all I do here.

- Open Hearts & Gospel Curiosity

Pray that the Father would draw spiritually hungry people into conversations, relationships, and ultimately, into His Kingdom. In this, pray for unity within our YWAM community here and the gift of faith to pursue God's work in front of and beside us.

- House Fellowships to Multiply

Lift up the vision for healthy, reproducing, Jesus-centered house-churches to take root in hard soil and thrive under local Arab leadership.
