*Serving in the*  
*Asian Pacific Rim*

*The Kinsman Family will be educating and discipling locals to reach pockets of lostness where Americans cannot go.*

- Pray for our family (and those we leave behind) to transition well. We will be in a landing city to learn the language for one year (2026) before transitioning to our long-term location in 2027.
- Pray for endurance amidst the language-learning process.
- Pray that our family would not forsake our first love, Jesus, and abide in Him daily.
